

NAVY
accelerate your life.

As a Navy Chaplain, you'll provide safe harbor for vessels in distress.

Surround them with your faith. **Equip them** for their struggles.

Your congregation in the Navy Chaplain Corps: America's sons and daughters. Dedicated young people serving their country.

Many separated from home and family for the very first time. Some are afraid. Unsure about who they are or where they're going.

Be their shield.

Sustain them when

hearts grow heavy.

Touch the *next generation*. Be touched by their devotion.

As a Navy Chaplain, you'll minister to your flock night and day. Eat, relax, work and worship together 24/7. Counsel them with your guidance. Walk with them day in and day out. From the mundane to the momentous, you will always be there.

The touch point of their faith.

The source of their light.

A congregation so large, *you'll need a helicopter* to tend to your flock.

Picture it. You, conducting services from ship to ship by helicopter. The opportunity to serve God and your country.

A ministry vital to the well-being of all those who defend our freedom. Young people who have answered their own calling.

Tend to your flock

as they tend to

their mission.

To find out how you can serve those who serve, log on navy.com or call 1-800-USA-NAVY.

A ministry where **faith has no borders.**

Counsel young families in Australia. Hold baptismal services on an aircraft carrier in the Sea of Japan. Minister in an atmosphere of diverse ideas and denominations. A spiritual and pastoral commitment limited only by your own passion.

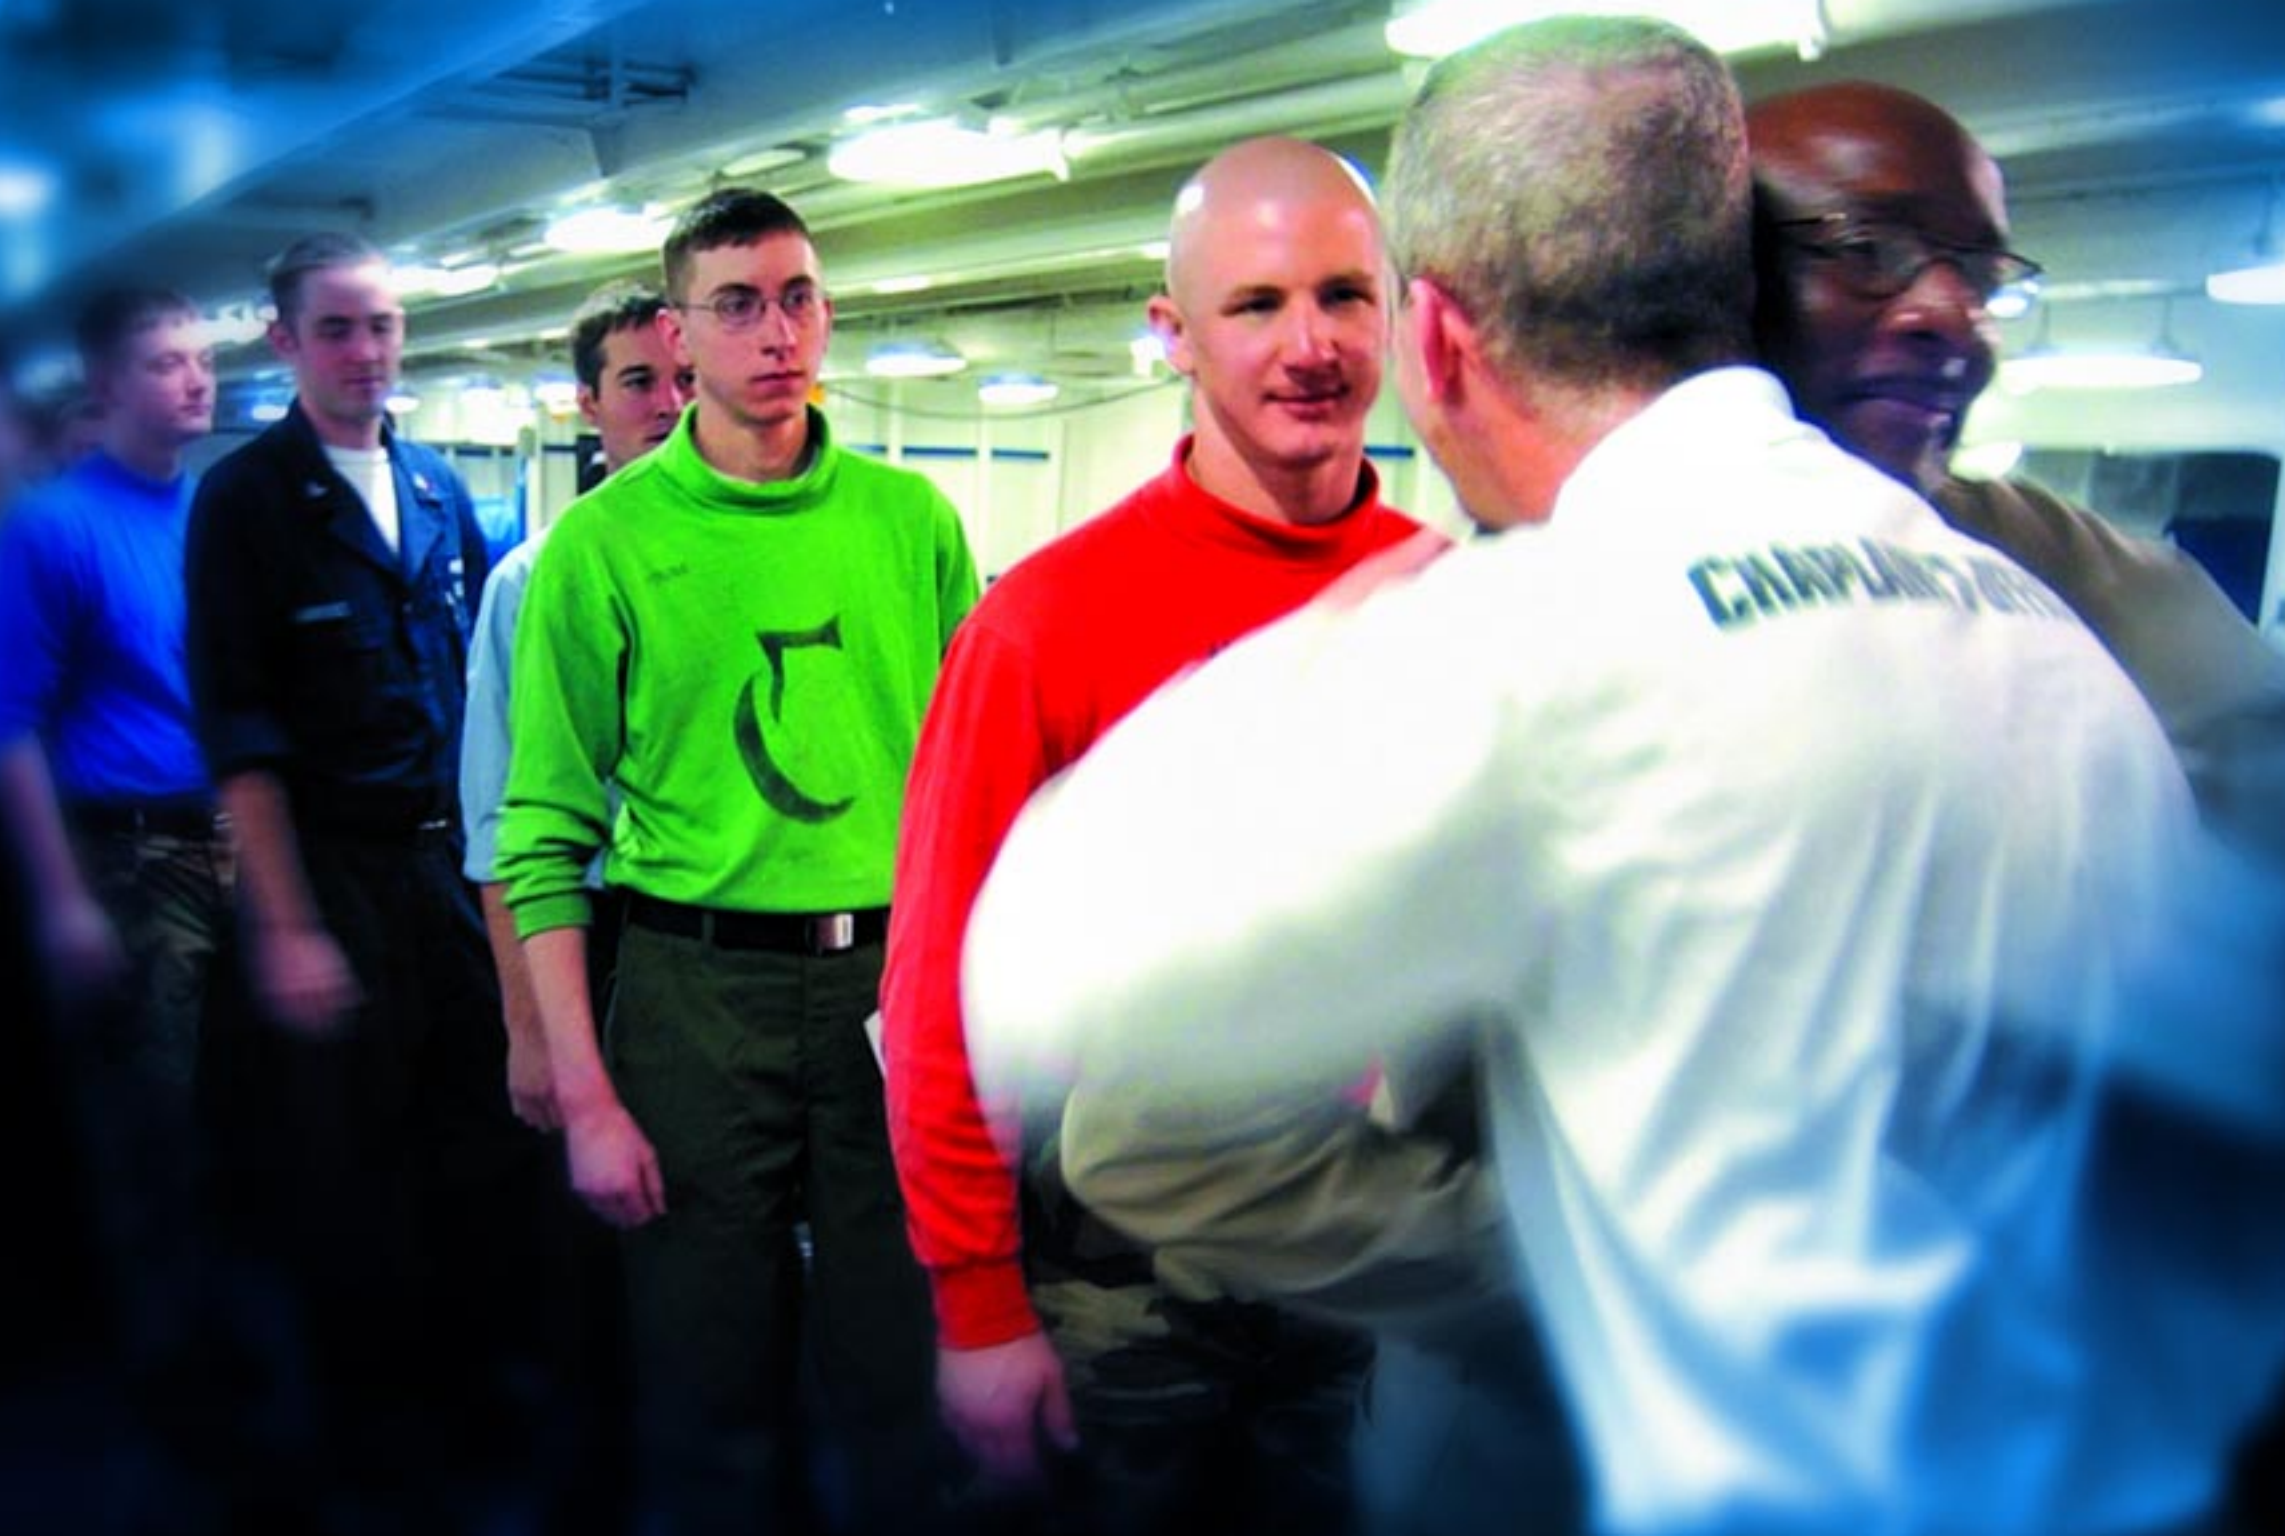

A pure pastorate.

A global congregation

with no walls.

Change your own life.

You've been called again. To serve those who selflessly serve this great nation. Ready to take it to a higher level? Accelerate your ministry in the Navy Chaplain Corps. Reap the fulfilling rewards – both spiritual and material – of this innovative, life-transforming ministry, including:

- 30 day's vacation with pay earned each year
- Comprehensive medical and dental care, including family members
- Worldwide travel opportunities
- Shopping privileges at military commissaries and exchanges
- Retirement benefits after 20 or more years of service
- Opportunities for promotion and advancement

Professional support includes:

- Opportunities for postgraduate studies
- Professional development courses
- Attendance at retreats and conferences
- Assistance from enlisted Religious Program Specialists
- Professional training workshops

You can participate in the Navy Chaplain Corps several different ways, including:

- Active Duty Chaplain – commissioned as a Naval Reserve Officer for three years of active duty
- Inactive Duty Chaplain – commissioned as a Naval Reserve Officer while continuing civilian ministry. Attend two-day drills each month and an annual two-week training.
- Chaplain Candidates (CCPO) – seminarians who are commissioned in the Naval Reserve while completing studies. Receive pay and benefits while on annual training. Upon graduation, you'll be offered appointments as Navy Chaplains. Drilling requirements or mobilization are not required until you graduate.

General qualifications for the Navy Chaplain Corps:

- Hold an ecclesiastical endorsement by a religious faith organization recognized by the Department of Defense
- Be under 40 years of age (waivers may be granted on a case-by-case basis for applicants in particular demand by the Navy)
- Meet the Navy's standards of physical fitness
- Be a graduate of an accredited college or university and theological school or seminary
- Be a U.S. citizen
- Agree to serve in a variety of settings throughout the Navy, the Marine Corps and the Coast Guard.

Then change the lives of many.
